

HERITAGE CIRCLE

One of the major attractions of the Butler Building, when completely renovated, will be the heritage wall. There are so many families and organizations that have been in Aitkin for many years as well as people who, although they have moved, fondly remember their years here.

The Heritage Wall will feature 4” wide x 2” high brass plaques all along the common walkway on the first floor. You can memorialize a friend, a family member, a store, an event ... whatever you want people visiting the Butler building to experience. You can have up to three lines, 15 letters per line. Use one sheet per plaque. Each plaque is \$1,000 in perpetuity. Use one form per order
